### The New Member Portal on VisionSource.com

You'll notice a big difference the next time you log on to Eye Care Professional on [VisionSource.com](http://VisionSource.com): It's the new Member Portal.

We listened to your suggestions on how we could improve the function of the Member Area, then created a special development site for many of your Vision Source® colleagues to test. You can see what they have to say about the new site by clicking [here](#) and [here](#). Based on all we learned, we're introducing several new and improved features, including:

- Enhanced design and navigation
- Nationwide member directory
- Practice profile management
- Event tracking—member meetings
- Vision Source® Learning
- The ability to manage staff access to portal information
- New video library
- Comprehensive Vision Source® Member Support Center directory

Please [click here](#) to see a video for the log on process. Once logged on, more

videos are available under "portal help" to help you navigate through this new site.

We believe you'll find the new Member Portal both easy to use and a valuable addition to your Vision Source® member benefits. If you have questions, comments or suggestions please send them to [portalhelp@visionsource.com](mailto:portalhelp@visionsource.com) or click on the "Contact Support" button on the upper right corner of each page. You can also call the Member Support Center at 888-558-2020 for help from your Member Services Representative.
